

Risk Assessment Wissey Half Marathon (WHM)

Risk Assessment completed by: Martin Ive MA CMIOSH AIEMA DipEM RMAPS
Level 3 UKA Official No 202565
Race Director

Sept 2018

General Controls

The WHM is a 13.1 mile event held on mainly rural open roads.

Ryston Runners AC will host the event will appoint a UKA licensed Race Director and Race Referee.

A full set of Race Rules is published and includes a Safety Rules section. These rules will be clearly displayed at Race HQ on the day and are also available on the race website at www.rystonrunners.org.uk

Safety Rules and Event Management Plan

- 1. The organisers and representatives take no responsibility for any injury, damage or loss that occurs during the race. Runners are advised to confirm their fitness to compete and if uncertain consult their G.P.**
2. Road sections of the race will require adherence to usual codes of conduct, making use of footpaths where available and running on the left hand side of the road where no path exists, unless instructed otherwise by a marshal or signage.
3. Marshals are provided along the route and at all junctions and changes of direction.
4. Marshals will wear hi-viz tabards.
5. Marshals instructions must be obeyed at all times and failure to observe safety instructions may result in disqualification.

6. **It is the runner's responsibility to ensure it is safe to cross public highways and the Marshall is only present to assist. Traffic has the right of way on the public highway at all times.**
7. The wearing of MP3 players (or similar audio equipment) is strictly prohibited.
8. Medical support will be provided by St John's Ambulance and will be based at Race HQ. Roving Marshall's will provide the communications link back to Race HQ along the route.
9. In the event of a runner requiring medical attention or help, Marshals will be able to communicate with the medical support for the event (St Johns). The primary duty is on the runner to make himself/herself known to the nearest Marshal but any runner from another coming across another runner in distress must assist in whatever way they can.
10. Water stations will be provided at 3 mile intervals and at the finish.
11. Nearest hospital is Kings Lynn QEH (15 miles) and nearest Ambulance station is Swaffham (5 miles)

Group Exposed - Athletes

Significant Hazards	Controls	Residual Risk - HML
Dehydration	<ol style="list-style-type: none"> 1. Race safety rules issued 2. Water stations at 3 mile intervals and at race finish / HQ 3. Marshals on course St Johns Ambulance at start / finish 4. Mobile communication marshals on course 	L
Acute illness / injury	<ol style="list-style-type: none"> 1. Race safety rules issued 2. Marshals on course 3. St Johns Ambulance at start / finish 4. Mobile communication marshal's on course 	M
